- A vendor check-off card will be utilized this year. This concept has been successful in other conference venues. In order for our members to be eligible for door prize drawings they must visit each individual exhibit and have their cards initialed.
- Registration packet inserts – Each registered vendor or exhibitor will be afforded an opportunity to place items in each of the approximately 300 registration bags that will be issued to each of the participants upon check-in. These can be flyers, brochures, pencils, key chains, business cards, etc.
