Dear Sponsor,

The **Texas Crime Prevention Association (TCPA)** is committed to the protection and safety of Texas residents by providing training for law enforcement officers as well as for businesses and community members across Texas. Training ranges from current crime trends and safety technology to the latest crime prevention programs. These trainings are provided on the regional level as well as at the annual State Conference.

To carry out our Texas-sized training mission, **we request your support.** The Central Texas Region will be hosting the **45th Annual TCPA Conference July 13-17, 2020** at the **Texas A&M University Hotel and Conference Center in College Station.** Your support will help provide an outstanding conference for those committed to keeping our communities safe.

A Crime Prevention Professional's work is never done. We strive to keep ahead of the curve, which is not always easy. The criminal element continues to evolve, making it a challenge for law enforcement. For this reason, the TCPA hosts its annual conference. The goal is to bring Crime Prevention professionals together providing training, resources, and networking opportunities to help combat criminal activity in our communities. Each year, our conference not only educates attendees, but also recognizes the exceptional work of those professionals in Texas who have worked tirelessly over weekends, evenings, and holidays to educate their communities on how to stay safe.

Crime Prevention professionals, who have the most up-to-date resources and possess the most up-to-date information, mean safer communities and businesses across Texas.

Please join the Central Texas Crime Prevention Association in making Texas a safer place by becoming a sponsor and supporting the 45th Annual Texas Crime Prevention Association Conference. The Sponsorship Levels and the Sponsorship Acknowledgement Form are attached. We also accept items for the raffle/silent auction and hospitality room. All donations are tax deductible.

We sincerely appreciate your support and look forward to partnering with you in the Fight Against Crime.

Sincerely,

Kristi Hosea
President
Central Texas Crime Prevention Association
Texas A&M University Police Department
College Station, Texas
